PRODUCT DESCRIPTION

We recommend elegant and streamlined barstools from the SPIDER H series! The ergonomic stool SPIDER H3 is 109 centimeters high, 45 centimeters wide, and 53 centimeters deep. Thanks to a well-seated round footrest with an ergonomic light gray backrest, SPIDER H3 is an extremely comfortable bar chair. The backrest with the seat is made of plastic. The seat is based on four beech-colored wooden legs connected with aesthetic black connectors. The TRENDEE furniture e-rental encourages you to rent the SPIDER H3 barstool in light gray color! We also invite you to get to know our offer, in which we offer other products from this series in many color variants!
