PRODUCT DESCRIPTION

SUKI is an elegant bar stool with a black seat, which consists of a polypropylene backrest and a seat made of ecological leather. The SUKI bar stool is equipped with a mechanism responsible for adjusting the height of the seat in the range of 61 - 84 cm. The seat, which is based on a metal frame ended with a round base, can also be rotated by 360°. The SUKI barstool is elegant and comfortable to use. We encourage you to get to know our offer, where you will find, i.a. chairs from this series in other colors!
