The CASTEL stool is distinguished by an ergonomic, quilted seat with a backrest covered with white eco-leather. The soft seat can be rotated by 360 degrees. The seat rests on chrome support, which ends with a durable, chrome base. The CASTEL stool is equipped with a gas lift that allows you to adjust the seat height from 66 to 87 cm. The height of the entire bar stool, counting from the base, is a maximum of 107 cm (min. 86 cm). We also recommend you the CASTEL stool in black, available from TRENDEE rental!
