## PRODUCT DESCRIPTION

We recommend the CASTEL bar stool, which is a combination of the unique style of bar stools with the elegance and comfort of classic armchairs. The CASTEL stool is characterized by an ergonomic, quilted seat with a black backrest upholstered in ecological leather. The seat rests on chrome support finished with a durable, chrome base. The CASTEL bar stool is equipped with a gas lift that allows you to adjust the seat height from 66 to 87 cm. The height of the entire chair, measured from the base, is a maximum of 107 cm (min. 86 cm). In addition, the soft seat can be rotated 360 degrees. We also recommend the CASTEL bar stool in white, available from TRENDEE rental shop!
