### PRODUCT DESCRIPTION

TRINO is a modernist bar chair that has an effective aerodynamic-shape seat. The TRINO bar chair is a structure that consists of a metal frame in the form of four legs with a footrest in the shape of a circle and a seat covered with ecological leather in black color. TRINO height reaches 84 centimeters, width is 35 centimeters, while depth - 38 centimeters. These parameters make the TRINO bar chair an extremely compact, but functional product. TRENDEE rental recommends the TRINO bar chair, which is the perfect choice for all kinds of fairs!
