PRODUCT DESCRIPTION

VITRA PANTON is an avant-garde chair in white color with a matte finish. The famous Danish designer Verner Panton made sure that the futuristic construction was a combination of streamlined design, comfort, and stability. The VITRA PANTON chair is made entirely of durable polypropylene. The height of the modern VITRA PANTON chair is 83 cm, with a backrest height of 40.6 cm and a seat height from the ground of 41 cm. The width of the chair is 50 centimeters, the depth is 61 centimeters, while the depth of the seat oscillates within 45 centimeters. VITRA PANTON will delight even the most demanding customers with its design. TRENDEE fairs furniture rental recommends this product!
