SPIDER

TECHNICAL DETAILS

Colour	White
Material	Wood
Countertop	Laminated chipboard
Diameter [cm]	60
Height [cm]	48

PRODUCT DESCRIPTION

SPIDER is a compact table with a modernist design, which consists of four wooden legs connected together by metal connectors and a countertop made of laminated chipboard in white color. The height of the SPIDER table is equal to 48 centimeters, while the diameter of the aesthetic white countertop is 60 centimeters. TRENDEE rental encourages you to check the availability of the SPIDER table on a selected date. We also recommend the SPIDER chair from the same collection.
