### PRODUCT DESCRIPTION

The LED cube is an unconventional solution that will illuminate a particular area in a selected color from the RGB palette in a good style. The 50x50x50cm LED cube available in the TRENDEE rental is equipped with a light bulb that can be controlled by remote control. You can choose from 16 RGB colors (including warm white), smooth transition between colors (SMOOTH), strobe mode (STROBE), or fast color change mode (FLASH). The set comes with remote control and power supply. TRENDEE rental encourages you to rent an effective LED cube!
