PRODUCT DESCRIPTION

DAN is a modern white swivel bar chair made by the Danish brand Actona. The DAN stool, in addition to its modern design, is also functional - it is equipped with a practical, comfortable footrest and a seat height adjustment mechanism. The seat is adjustable from 57 to 78 centimeters. The standard height of the bar stool (measured from the base) is 66 cm. The streamlined seat is upholstered with ecological leather in white. The leg with the base is made of chrome-plated metal. The modern DAN stool is also available in black! We encourage you to familiarize yourself with the TRENDEE offer!
