PRODUCT DESCRIPTION

The SUKI barstool is a product characterized by elegance and ergonomics. It consists of a metal, chrome frame mounted on a round base and a seat made of ecological leather in white with a polypropylene backrest - also in white color. The SUKI bar stool is equipped with a seat height adjustment mechanism (in the range from 61 to 81 cm), an elegant footrest, and a 360° rotation mechanism. We encourage you to familiarize yourself with the Trendee offer! You will find there, among others chairs from the SUKI series in various color variants - green, blue or black.
