PRODUCT DESCRIPTION

The HILTON B coffee table is a proposal to combine classic and modernist design. The HILTON B bench is constructed of a metal, chrome-plated frame and a square top made of transparent tempered glass. The second layer of tempered glass was located just above the base of the base, creating a cube shape along with a mirror effect. HILTON B is wide, tall and 55 centimeters deep. The table will be perfect for modern arrangements of your event. Rent the bench today at Trendee!
