

## BISTRA 120

### TECHNICAL DETAILS

Colour	Silver
Material	Metal
Countertop	Laminated chipboard
Diameter [cm]	120
Height [cm]	75

### PRODUCT DESCRIPTION

BISTRA 120 is a table in a traditional edition, which consists of four metal legs in silver color and a round countertop made of laminated chipboard. The countertop's diameter of the presented model is equal to 120 centimeters, while the height of the table is 75 centimeters. The BISTRA 120 table available in the TRENDEE rental is perfect as a conference table and wedding table. Variants with countertops of a diameter equal to 150 and 180 centimeters are also available. We encourage you to rent a BISTRA table!
