### PRODUCT DESCRIPTION

BISTRA 180 is a table in a classic setting, which consists of a metal frame in the form of four silver legs and a countertop made of round, laminated chipboard. The diameter of the BISTRA 180 countertop is 180 centimeters, while the height of the entire structure is 75 cm. The product is perfect for conferences and weddings. TRENDEE fairs furniture rental also offers a BISTRA table with a 120- and 150-centimeter countertop. We fully recommend the BISTRA 180 table!
